This Fund was settled in trust as a Memorial of Lieutenant George Watson Guthrie, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

The Fund produces an annual free income of about £1,000.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training (or assisting to educate or maintain) the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who served in the War, and who either were killed in action, or drowned, died of wounds, accidents, or illness contracted in the course of their active service, or so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

After the expiry of twenty-five years from 31st August, 1921, being the date fixed by Law for the final cessation of hostilities in the late War the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "George Guthrie's Fellowships."
